December 12, 2003

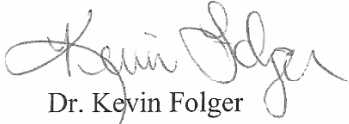

Dear Preacher and/or Mission Committee,

I am writing this letter as the pastor of the sending church for Michael and Sarah Stevens, missionaries to the Gypsy people of Eastern Europe. Cleveland Baptist is proud to add them to our growing list of missionaries that God has chosen to send out of our church to preach the gospel and plant churches throughout the world.

Mike and Sarah are sharp, young people who know what they believe and know what God has called them to do. Mike is a graduate of our Christian school and Pensacola Christian College. Mike's dad and mom, Walter and Dolly Stevens, are also missionaries sent out of Cleveland Baptist to the Gypsy people of Eastern Europe. Sarah is not from here and although she has not been attending the church very long, I have had the opportunity to observe her and am convinced that she loves the Lord and desires to serve Him! This is the kind of young couple that I like to present to my people and particularly show them that God calls some of His best to be missionaries.

I want to encourage you to give consideration to Mike's request to come and present the burden of reaching his Gypsy people. I think you will find that this couple will be a help to you as you try to lead your people to give to missions. They will also help your church to realize that God is at work in the hearts and lives of young people today.

Sincerely yours, Truly His,

  
Dr. Kevin Folger  
Pastor
